Boston University invites you to take the next step in your Criminal Justice career

BOSTON UNIVERSITY

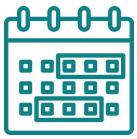
Nonvikan Karl-Augustt,

Shea Cronin, PhD
Chair, Department of Applied Social Sciences

As the Chair of the Department of Applied Social Sciences at Boston University's Metropolitan College (MET), I am pleased to hear of your interest in a Graduate Certificate program! Our **4-course (16 credit)** certificate programs are ideal for working professionals looking to hone a specific skillset or quickly earn a credential to strengthen your resume.

Program

Cost



Curriculum

Total Certificate Cost*

$15,400

*based on 2022-2023 part-time tuition

Notably, our graduate certificate programs are:

- Offered **on campus and online**
- Can be complete in **as few as 8 months** as a part-time student
- Led by full-time PhD faculty members and industry professionals
- No GRE or Letters of Recommendation required for admission

Enhance your expertise with a graduate certificate.

Apply Now

For more information about each of our 4 graduate certificate programs, including course requirements, please visit the specific program page:

- Criminal Justice
- Crime Analysis
- Cybercrime Investigation & Cybersecurity
- Strategic Management

Still deciding between a graduate certificate and master's degree program? Students who complete our graduate certificate programs with a GPA of 3.0 or higher may directly transition into a master's degree program via our certificate-to-degree pathway (*no additional application required*).

We take pride in preparing students for successful careers in the criminal justice field, and I am excited for you to take the next steps with us here at MET!

Regards,

Shea Cronin, PhD
